- A current Federal Government employee, selected for a detail, will be assigned to the position at his or her current grade and salary.

Component Mission

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

Major Duties and Responsibilities (MDRs)

The NCTC DI is seeking a pro-active Executive Project Coordinator with strong problem solving skills to serve as our night shift electronic dissemination officer. This position is responsible for conducting final quality control, preparation, and dissemination of the daily TIB, the NCTC/DI's premier finished intelligence product, as well as the NCTC CURRENT and other ad hoc product lines as needed.

Major Duties and Responsibilities:

- Apply publishing tradecraft, principles, practices, and software applications to support the production and dissemination of a variety of intelligence publications and/or interactive websites.
- As directed coordinate operational and administrative matters, review and investigate issues, and develop initial solutions and options; maintain situational awareness of issues affecting organizational equities and the status of multiple projects.
- Contribute to the development of processes to monitor the dissemination of information, continually improving and maintaining database systems; maintain records in compliance with regulations and sensitive compartmentation.
- Coordinate work activities, assignments, and projects with managers internal to the ODNI and across the Intelligence Community (IC) to ensure their understanding and the effective completion of initiatives and requirements.

Mandatory and Educational Requirements

- Knowledge of IC information management security guidelines, document storage, and classification guidelines.
- Knowledge of mission area daily operational topics, capabilities, and strategic intent, as well as project management concepts and principles.
